

HD1/HD5/HD8

HD1

HD5

HD8

A versatile hand dryer which offers a durable, high performance solution for any washroom.

The HD5 is a popular hand dryer which is ideal for medium usage areas, as it has a vandal resistant die cast aluminium cover and a 2.4kW power output ensuring fast dry times. It has a flip vent to dry both hands and face, and has automatic operation. The HD1 offers a manual push button version of the HD5.

The HD8 is a stylish, curved, brushed chrome hand dryer that has automatic operation and a fast dry time that is suitable for all locations. It will complement any washroom decor.

HD1 Features
